Fabrice has been a certified Dances of Peace guide since 2016.

He has been guiding retreats to reconnect with his inner child, in nature, for 15 years.

the sacred songs instantly resonated in my heart,  
giving me a sense of home again.

Since then, these songs and dances have become part of my daily life!

'They accompany me and I accompany them, usually as a musician,  
in the construction of these beautiful energetic temples of consciousness and awakening.

My aim with this workshop is to share with you this space for creativity and play  
as a tool for integrating all that movement opens up to us,  
the songs and sacred texts of the Dances of Peace'.
